

- Intel® Celeron™ J3455 Quad Core 2,30 GHz
- 15" 5-Wire Resistive Touch Screen
- Stainless Steel 316L
- IP65 Full Enclosure
- Fanless compact design
- Made in Spain

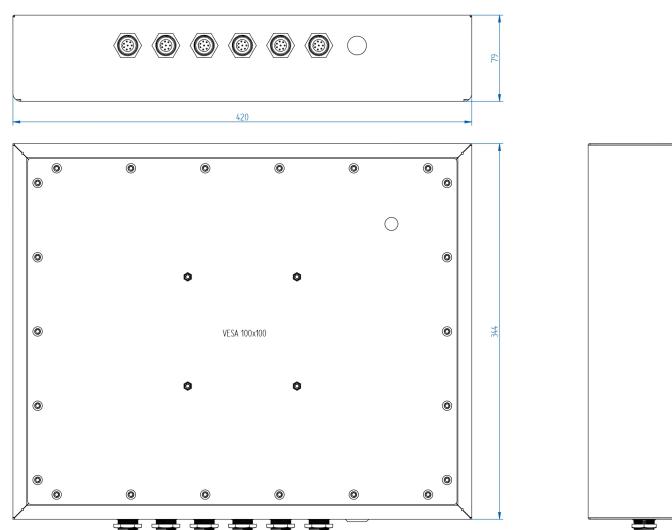

CPU boards with latest generation Intel® Processors, fanless, low power consumption and exceptional performance.

Manufactured in 316L Stainless Steel with full IP65 enclosure. Selection and configuration up to five ports, among COM (serial), USB or Ethernet ports, through IP68 connectors.

5-Wire Resistive or Projected Capacitive Multitouch sensor (PCAP).

### Dimensions

## Specifications

| Display                               |  | Mechanical             |  |
|---------------------------------------|--|------------------------|--|
| Touch technology                      | 5 Wire Resistive                           | Dimensions             | 420 x 344 x 79 mm                              |
| Inches                                | 15"  | Weight                 | 7,2 kg   |
| Format                                | 4:3  | Mounting               | VESA 100 x 100, Wall, Bracket, Holder          |
| Resolution                            | 1024 x 768                                 | Panel cut              | -  |
| System                                |  | Optionals              |  |
| CPU                                   | Intel® Celeron™ J3455 Quad Core 2,30 GHz   | Screen                 | High brightness for outdoors use               |
| Memory                                | DDR3L 2Gb Scalable to 8Gb                  | USB Ports              | 2 x USB 2.0                                    |
| Hard Drive                            | 60/120/240GB SSD. 500GB/1TB SATA.          | Serial Ports           | 2 x RS-232/422/485                             |
| Graphics                              | Intel® HD Graphics                         | Modem                  | 3G / LTE + GPS                                 |
| Chipset                               | J3455 Onboard (SoC)                        | WIFI Module            | Wifi 2,4GHz / Wifi 2,4GHz i 5GHz + Bluetooth   |
| OS                                    | Win10 Pro / Win10 IoT Enterprise / Linux   | Slot PCIe              | To Be Consulted                                |
| Input / Output                        |  | Others                 | To Be Consulted                                |
| Protection / Environmental Conditions |  | Power Supply           |  |
| USB Ports                             | 4 x USB 3.0                                | Input Voltage          | 12Vdc (External power supply 110-220Vac/12Vdc) |
| Serial Ports                          | -  | Optional Input Voltage | 24Vdc  |
| Ethernet                              | 1 x Realtek Giga Ethernet                  |                        |  |
| Video                                 | 2 x HDMI                                   |                        |  |
| Audio                                 | 1 x Audio output                           |                        |  |
| Expansión                             | 1 x Mini-Pcie / 1 x M.2(2242/2260) for SSD |                        |  |
